I am forwarding this information to members of the EPA's Bristol Bay Assessment Team. This is the Webinar information for the Pebble Environmental Baseline Meeting, January 31 through February 3.

Please note that there is a time set aside on Monday to check Webinar connections.

Please also note that presenters will be accepting questions from Agency personnel only. Others are being asked to submit questions via the email address provided below. We are not sure how Agency personnel are being defined. Should members of the BBA Team have questions, and cannot get through via the Webinar, I suggest that you email your questions to Rick Parkin (parkin.rick@epa.gov), Palmer Hough (hough.palmer@epa.gov), or I (frithsen.jeff@epa.gov). We will do our best to look at our Blackberry devices, understand your question, and pass along the question to presenters.

Please do not share this email with individuals that are not part of the Bristol Bay Assessment Team.

Jeff

Good afternoon!

The purpose of this email is to transmit the final agenda for the Pebble Environmental Baseline Agency Meetings next week in Anchorage (January 31 - February 3, 2012) and to provide instructions for those attending the meetings remotely via WebEx.

As in years past, the Agency Meeting location is not open to the general public and in-person attendees will be limited to registered agency personnel, project consultants and Pebble employees.

Please note that presenters will only be accepting questions from agency personnel. For remote attendees, questions may be submitted to AgencyMtg@PebblePartnership.com. This email account will be monitored throughout every presentation, and questions submitted through this account will be asked at the end of each presentation. Questions will only be accepted from agency email addresses.

In order to test the software on remote attendee computers, Pebble is offering a brief IT check on Monday, January 30. To test your remote attendance capabilities, click on the following link at 11:00 Anchorage time on Monday the 30th: <https://pebbleevents.webex.com/pebbleevents/onstage/g.php?t=a&d=668605470>. Questions regarding this online test can be directed to AgencyMtg@PebblePartnership.com.

Pebble Limited Partnership will record all sessions offered at the 2012 Agency Meetings. These recordings will be posted to the internet after the agency meetings have been completed; details may be found at www.pebblepartnership.com. Additionally, copies of the entire 4-day session will be available on DVD. To request a copy of this DVD please email AgencyMtg@PebblePartnership.com after February 3rd, 2012.

If you have any questions regarding the preliminary schedule, please contact Katherine Sampson at (907) 339-2600 or KatherineSampson@pebblepartnership.com.

Thanks,

Katherine Sampson
